Report of Principal and School Improvement Council

This year's theme, "It Begins with Me!" described all the Busy Bees at J. C. Lynch Elementary School. With the new Common Core State Standards, our teachers received year-long common core training. As a TAP school, our teachers also received in-house training on strategies to meet their students' needs as well as monthly "tech time" to help improve their technology skills. Many more of our students participated in school-wide events such as the Spelling Bee, Mad Minute Math Masters, and Science Expo. This year third, fourth, and fifth grade students entered the National History Day competition and four student groups placed in various categories of the competition! Every Friday was "Enrich" where our students picked the special area class of their choice. Students could explore units of study not typically seen on a daily basis such as kickboxing, zumba, print making, computer dissection, and concert choir. "Enrich" was enjoyed by all!

Opportunities in the fine arts had students performing in the school musical, "A Christmas Story" and the Lake City Community Theater's production of "High School Musical Junior" as well as singing in various concerts with our High Flyers Choir. Third graders received specialized art instruction in batik at the first annual ArtFields art competition in Lake City. Art awards were won by two JCL students in the junior division of the competition. Two artists in residence shared their craft with our students - one giving art instruction using clay and the other sharing the Aboriginal music of Australia via the didgeridoo.

Throughout the year students were recognized and awards were given for academics as well. Twenty-three students scored exemplary on three areas of the PASS tests and were treated to a roller skating party. Celebrations of Learning were held to recognize honor roll, perfect attendance, highest MAP scores, and highest MAP gains. It was with pride that we also recognized one of our students who scored a perfect score on the 2012 PASS ELA test.

Working with parents and the community is important to us. The administration worked closely with the town officials to improve the traffic flow at the school during arrival and dismissal times. Our students and staff made contributions to Susan G. Komen - For the Cure, American Heart Association's Jump Rope for Heart, and donated cans for the food pantry at Bible Temple in Coward.

The JCL "hive" is certainly alive as we continue "Growing the future one mind at a time in order to be 100% college and career ready."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
